

FAMILY & FRIENDS NIGHT at Camp

Thursday, August 17th · Camp Cheerful in Strongsville

August 13-18 is St. Augustine's annual Happy Campers Week! Some residents will spend the entire week camping while others will join them for day camp. While at Camp Cheerful, campers will fish, swim, play games, interact with horses, and take part in craft activities, but most importantly, they will be able to enjoy the peace and tranquility of camp and, as one resident said, "feel normal again." Please join us for Family and Friends Night at camp and share this special evening with our residents.
