## Living Life

Each year, during St. Augustine Health Campus's Happy Campers Week, approximately 30+ nursing home and assisted living residents go camping. An additional 30+ will join them each day for day camp.

Campers enjoy a variety of activities and are able to live life to the fullest -- in spite of age, illness or disability. The staff is always amazed at the

transformation that each resident displays during and after our camping trip. The fresh air, the freedom, and just being away from "home" seems to give residents new energy and more independence. They come back from camp saying, "I felt normal again!" The success of Happy Campers is evidenced when residents don't ask for pain or anxiety medication

throughout the week! St. Augustine has been recognized as the only long-term care facility in the State to provide this type of experience.

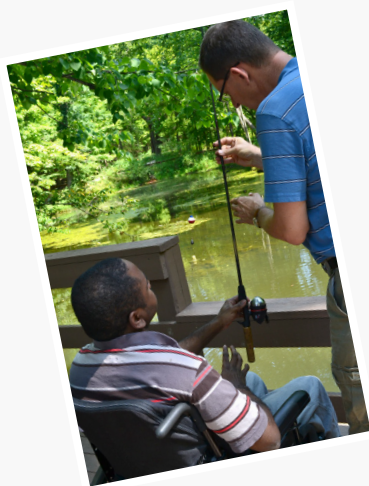

## Volunteer Your Time

Happy Campers Week would be an impossible endeavor if it weren't for the many volunteers who generously donate their time. Volunteers help transport residents to activities and around the campgrounds, serve meals in the dining hall, play cards and games, help with crafts or simply be a new friend for our residents. Volunteer individually or as a group!

If you are interested in volunteering for Happy Campers Week or would like more information, call (216) 215.5859

You can also fill out the attached form and mail it back to us and our volunteer manager will contact you with more information.

## Sponsor and Donate

This is a costly and labor-intensive endeavor. **So why do we do it?** Because it's the right thing to do as part of our mission to promote quality of life.

Donations of any kind -- monetary or in-kind -- are greatly appreciated.

### Sponsorship Levels:

**\$750** Pays for one cabin for the week

**\$500** Activities such as horse therapy, swimming & entertainment

**\$250** Sends three residents to camp for the week

**\$50** One day of day camp for a resident

### In-Kind Donations:

In-kind donations of assorted soda, snacks, bread/buns, condiments, vegetables, t-shirts, craft supplies, fishing supplies etc. are needed. Please call (216) 939.7601 for more details.

## Friends & Family Night

A highlight of the week is our Friends & Family Night, which will take place on Wednesday, August 16.

Join us for a cookout and marshmallow roast and singalong. Everyone is welcome to attend!
